The letters still need to be routed through Lucita and Paul for concurrence. I give them previews because they usually have the most changes to the letter. This way hopefully all the edits are minimized and they can give a one last quick review & concur.
Thanks!

Valois,

I will add on the routing comments that these letters were reviewed by Paul and Lucita. Did I miss anybody else?

Yes. The letter to Jennifer Spotted Bear is the top priority, but the letters to OST and SRST should also start routing. Please let me know if you need anything.

Thanks Valois. I had just one suggested redline edit in the attached. It's an attempt to make a sentence read a little easier, but it's not primarily legal in nature. Take it or leave it as you see fit; either way is fine. Thanks for your work getting these letters out.

Hi Paul,

I added your edit to this letter as well. It is a little different from the letter to the OST Secretary, so I just wanted to run it by you to see if you have any comments.

Thanks!
